Public notice is hereby given that the Snyderville Basin Planning Commission in accordance with Section 10-9-18 of the Snyderville Basin Development Code will conduct a public hearing to review and possibly forward a positive recommendation to the County Council for amendments to Sections 10-2-4 Rural Residential (RR) Zone of the Snyderville Basin Development Code.

**Tuesday March 12, 2019
Beginning at 4:30 p.m.
Sheldon Richins Building (Summit County Library)

Previous amendments to this section inadvertently omitted language relating to setback measurements in cases where the property lines extend to the center of the road in the RR zone. The purpose of this amendment is to put that language back.
