Consistent with provisions of the Utah Open and Public Meetings Act, Utah Code Ann. §52-4-207(4), the Summit County Emergency Medical Services Board (“EMS Board”) Chair has issued written determinations supporting the EMS Board’s decision to convene electronic meetings of the EMS Board without a physical anchor location. Due to the health and safety risks related to the ongoing COVID-19 pandemic and considering public health orders limiting in-person gatherings, members of the public should not attend EMS Board meetings in person.

However, members of the public are invited and encouraged to view and participate in the EMS Board’s electronic meetings as described below.

Members of the public who wish to listen to this meeting may do so by emailing your intent to participate to [EMSBoardMeetings@pcfd.org](mailto:EMSBoardMeetings@pcfd.org), at which time detailed instructions for joining the meeting will be provided. Public input will be taken using the chat feature. We appreciate your patience and understanding as we navigate through this electronic meeting format.
