The Applicant proposes to combine 5 parcels and create two (2) platted subdivision lots by reconfiguring the boundaries of lots 354 and 355. The applicant also proposes to vacate a portion of Wasatch Way, a public road that was not built in the location shown on the recorded subdivision plat. The proposed amendment would also vacate the area of the subdivision between the northern edge of the subject parcels/lots and the upper portion of Wasatch Way that is proposed to be vacated.
