

STAFF REPORT

TO: Summit County Council
DATE: January 2, 2020
FROM: Stephanie Larsen, County Assessor
SUBJECT: Approval of BOE Change of Value

There were 3 parcels that applied to the State Tax Commission for Summit County to reconvene the Board of Equalization:

FGR-I-31;

JW-AM-8; and

GG-508.

The owners of Parcel GG-508 have filed a complete application with LoraLea in the Auditor's office. We have had issue in the Grand Galleria complex and have stipulated to the following value to be equitable with the other changes made in the building. I would recommend the approval of the 2019 New Value of \$275,000.

2019 Old Value	397,000
2019 New Value	275,000
Difference of	(122,000) Market & Taxable
