Tom, Annette, and Council,

The Utah Local Government Trust has asked that its board members receive the consent from their respective governing bodies.

Please see attached the Trust's approved 2020 budget with respect to my service as a board member. To my recollection, these amounts are consistent with previous years.

Can we please put this on agenda for discuss and possible approval?

Best,

Chris

Can you please email over to me a document that describes well my compensation as a board member so that it can be properly approved by Summit County as our governing body?

Thanks,

Subject: Board Compensation & Service Approval

Dear Board Members,

In a recent board meeting, the board asked that we keep a file of your governing bodies approval for your service on the board which includes compensation.

Please send over a copy when you receive that and I will keep on file. I have received two thus far.

Thank you and Happy New Year,

MERRY RIDDLE Executive Assistant
