

Personal Protective Equipment (PPE) Distribution, Phase II ***Available to Summit County Small Businesses***

PHASE 2: PPE DISTRIBUTION

Friday, May 15, 2020 | 1:00- 5:00 p.m. | Park City Miner's Hospital (1354 Park Avenue)

****Summit County Health Orders will be followed during distribution***

****Businesses are required to provide proof of Summit County/Park City business license (photo of license sufficient)***

Hand Sanitizer:

- Available in gallon containers. Please bring own containers if smaller amount preferred.
- \$35.84/gallon (\$0.28/oz.)

Vinyl Gloves:

- 100 per pack (maximum four packs)
- M, L, XL as available
- \$8.73/pack (\$0.17 per pair)

Disposable Masks:

- 50 per pack (maximum three packs)
- \$57/pack (\$1.14/mask)

Additional details:

- As a courtesy, please do not request more than a one-month supply.
- Cash-free – businesses will be invoiced afterwards.
- Medical providers looking for PPE should contact eoc@summitcounty.org
- N95 masks are being prioritized to medical providers.
- Items are available on a first come, first served basis. City, County, and Chamber/Bureau plan to continue Friday afternoon distribution until material supply runs out or further notice.
- We encourage businesses/organizations to establish long term supply chains. List of possible suppliers available [here](#).
- Additional PPE tentatively estimated to ship May 20:
 - Thermometers (prioritized for businesses required to have them)
 - Limited sanitizing wipes
