### **SOLID WASTE MANAGEMENT FEE**

A Solid Waste Management fee of **\$40** is charged to each developed property within the Political Subdivision of Summit County, regardless of whether or not the property receives curbside trash and recycling service or is serviced by a dumpster facility (i.e. cabin and other isolated properties). The term "Developed" means any property having a permanent structure that is or may be occupied by a person or persons, such as a primary residence, secondary residence, recreational cabin, garage/barn with restroom and/or sleeping facilities, or any other similar structure. This definition includes mobile homes or trailers that are permanently or semi-permanently affixed to the ground or on wheels if the intent is to occupy the unit as a residence. Recreational or occasional use campers are not included unless on a foundation or "skirted" to mitigate weather impacts.
