**Special Handling Waste includes: Customer requested special handling, state listed special wastes (per UACR 315-315), operationally necessary special handling (as determined by the Solid Waste Superintendent), or any waste delivered by a commercial entity/business requiring the completion of a profile form (as determined by the special waste coordinator or executive director). Special Waste may be denied at the sole discretion of the Solid Waste Superintendent.

Solid Waste Superintended may be contacted through the Public Works Office at (435) 336-3970 to schedule an appointment or for a more detailed explanation of Special Waste Fees.

CHARGE FOR UNCOVERED/UNSECURED LOADS

Utah state law requires loads on vehicles be confined, secured, and fastened. Per Title 72, Chapter 7, Part 4, Section 409 (2) of the Utah Code, "... a person may not:

1. Operate a vehicle with an unsecured load on any highway; or
2. Operate a vehicle carrying trash or garbage without a covering over the entire load.

Violation of this law is subject to a fine of not less than \$200."

It is the policy of Summit County to charge a double fee, per load, for all unsecured loads.

SOLID WASTE MANAGEMENT FEE

A Solid Waste Management fee of **\$36** is charged to each developed property within the Political Subdivision of Summit County, regardless of whether or not the property receives curbside trash and recycling service or is serviced by a dumpster facility (ie. Cabin and other isolated properties). The term "Developed" means any property having a permanent structure that is or may be occupied by a person or persons, such as a primary residence, secondary residence, recreational cabin, garage/barn with restroom and/or sleeping facilities, or any other similar structure. This definition includes mobile homes or trailers that are permanently or semi-permanently affixed to the ground or on wheels if the intent is to occupy the unit as a residence. Recreational or occasional use campers are not included unless on a foundation or "skirted" to mitigate weather impacts.
