County Council,

Please reconvene as the Board of Equalization on September 18, 2019. Consider approving the Stipulations of Agreements for the 2019 property tax appeals. As you are aware, they need the approval of the council before they can be mailed out to the property owners for their agreement or disagreement. The property owner has ten days to return the stipulation from the mailing date. If they disagree with the appraiser's decision they can call to schedule an informal hearing. If the appellant does not return the stipulation to our office, it is presumed they agree with the decision. Also, if the appellant disagrees with the informal hearing decision, they can appeal to the State Tax Commission.

Thanks for your consideration.

Sincerely,
